

MUST THESE 600 GO INTO THE VALLEY OF DEATH?

---

- \* NEWSPAPERS REPORT 600 National Servicemen , drafted to the Regular Army, may now be sent overseas. Some may be sent by May to Vietnam, where the war has already claimed 29 Australian lives and 131 casualties.
- \* NEWSPAPERS REPORT that the current comment among Australian troops in Vietnam is "When are we going home?"

MOTHERS IN THE SAVE OUR SONS MOVEMENT APPEAL TO PARENTS EVERYWHERE.....

HELP TO STOP THE BLOODSHED IN THIS WAR WHICH HAS BEEN  
CONDEMNED BY WORLD STATESMEN, CHURCHMEN, ACADEMICS -  
AND A LARGE BODY OF PUBLIC OPINION IN AUSTRALIA & U.S.

Today we have appealed to Prime Minister Holt, the Minister for the Army and Mr. Calwell to prevent a decision committing more Australians to die in Vietnam - among them unwilling conscripts whose parents are also opposed to their sons fighting overseas.

There are mothers in S.O.S. who say - OUR SONS WILL NOT GO! WE WILL RESIST  
DICTATES BY OUR GOVERNMENT SEEKING TO COMPEL  
BOYS TO FIGHT IN VIETNAM!

The Government has failed to convince Australians that Vietnam is truly a war in which young lives must be sacrificed. That is why it relies on unjust conscription law which forces young men into the army against their moral convictions.

JOIN US! ..... HELP US!

THE COMMONSENSE AND COURAGE OF WOMEN, OF PARENTS, IS NEEDED IN THIS CRISIS -  
TO CHANGE IMMORAL GOVERNMENT  
POLICY!
