## Work Sheet 2A: Working with Sources

Each student has brought to class five sources that tell something about their family or personal history. Working in pairs or small groups study the five sources and record your findings about each one in the table below.

**Item:** Identify the item, eg a school photo, toy or letter.

**Category:** State whether it is written, visual, an artefact or other kind of source.

**Perspective:** Which member/s of the family's experiences are represented in this source?

**Fact:** What fact/s about the family can be established from this source?

**Opinion:** What opinion about the person or family might someone else form by studying this source?
